

**NILI Summer Institute 2017
June 19 – June 30, 2017
Scholarship Application**

It is time to begin the scholarship process for NILI 2017! As in years past, limited tuition scholarships are available for the NILI 2017 Summer Institute. Scholarships are for partial tuition for the two-week Summer Institute *only* and do not cover housing, meals, or parking (if applicable).

Scholarship funds are targeted towards those who could not attend the Institute without support. If you are employed as a teacher or at a language program or school district, you must first seek funding from your program. We encourage all those in need of financial assistance to seek funding from other sources as well. Due to generous support, some years NILI is able to give at least some funding to those applying to the scholarship. Other years we are challenged to do so.

The due date for Scholarship Application submission is **April 3, 2017**.
